PRESS RELEASE

FOR IMMEDIATE RELEASE

Prosphere partners with 8x8, Inc.

Alexandria, VA, February 16, 2018: ProSphere is now offering an additional suite of cloud communications, collaboration, and contact center solutions for their client base. 8x8, Inc., a leading provider of truly unified cloud communications, now joins ProSphere's product line.

"Offering 8x8, Inc. solutions to our customers was an easy decision," said Kevin Rice, President of ProSphere. "As a UCaaS and CCaaS market leader for midmarket and enterprise companies, 8x8 communications and contact center solutions brings a great opportunity for us to continue to grow in this market and provide best-in-class, cloud systems to our customers."

Most notable for ProSphere's clients is 8x8's industry-leading, easy-to-manage, cloud-based communications, collaboration, and contact center platform, which includes voice, video, messaging, mobile app, and more; and captures data analytics on every interaction.

"We are excited to partner with ProSphere and bring added value to their line of IT solutions and services," said Christopher Peters, Global Channel Chief for 8x8, Inc. "Our expertise in delivering truly unified cloud communications, collaboration and contact center solutions will pair perfectly with ProSphere's expertise in the enterprise IT solutions and services market."
