ProSphere Awarded FSC Data Analytics Support (Sub)

Alexandria, VA, 08/16/2018: ProSphere will provide enterprise-level data analytics and business intelligence service support to the Department of Veterans Affairs (VA) Financial Services Center (FSC). This contract includes the use of industry-standard analytical methods and programs, data engineering, data management and data governance supporting an estimate of 60-plus projects. The FSC is located in Austin, Texas and employs approximately 1800 people.

“We are excited for this strategic win to provide enhanced data analytics capabilities and additional support to the VA FSC,” said Paul Hull, Program Director. “Being able to provide this new service to our existing customers allows us to continue our relationship that began in 2012.”

The FSC provides an array of financial management, professional, and administrative services to VA and other Government agencies. As an Enterprise Center of the VA Franchise Fund, the FSC provides services on a fee-for-service bases and receives no Federally-appropriated funding.
