ProSphere Wins VA Program Planning and Control Contract

Alexandria, VA, August 16, 2019: ProSphere was awarded the Program Planning and Control (PPC) task order recompetes for \$4.4 million under Department of Veterans Affairs (VA) Transformation Twenty-One Total Technology Next Generation (T4NG) for the Office of Information Security (OIS), Cyber Security Program Integration. ProSphere will continue to provide program planning support, including planning and control, and strategic program planning for the OIS Business Office.

“As the current contractor, we are excited to continue providing world-class information security and privacy for VA to meet OIS’s vision,” said Tom Oliver, Director of DoD Programs. “Our success is attributed to building deep relationships with OIS personnel and continually implementing improvements to current business processes and practices.”

The mission of the OIS is to provide benefits and services to Veterans of the United States. Serving a quarter of our nation’s population, VA is the second-largest, Cabinet-level Department. VA IT infrastructure spans more than 1,500 facilities across the country and supports more than 300,000 employees. OIS is charged with protecting this large and diverse IT infrastructure by ensuring safeguards that protect sensitive information, such as personal health and benefits information, while enabling the business processes and technologies needed to deliver medical services and benefits to Veterans.

About ProSphere

ProSphere is an ISO 9001:2015, 20000-1:2011 & 27001:2013, CMMI Level 3, CVE-Certified Service-Disabled Veteran-Owned Small Business (SDVOSB) that provides IT solutions to the Federal government. Founded in 2006, ProSphere is headquartered in Alexandria, VA, and provides services to 13 Federal Government agencies in 24 states. ProSphere supplements its capabilities with a strong and mutually beneficial partner program and is available through the following contract vehicles: VA T4NG, Army RS3, GSA Schedule IT-70, GSA PSS, e-FAST, and CIO-SP3 SB.
