PRESS RELEASE

*****FOR IMMEDIATE RELEASE*****

ProSphere ranks 10th on Washington Business Journal's List of Largest Cybersecurity Companies in Greater D.C.

ALEXANDRIA, Virginia: ProSphere is pleased to announce it was recognized as the tenth largest cybersecurity company in the greater D.C. area by the Washington Business Journal. Twenty-five companies were ranked based on D.C. metro-area revenue for 2019.

"We are honored to have been recognized among other top-ranked businesses in the D.C. area," said Robert Phoebus, Chief Growth Officer. "ProSphere is committed to providing clients with the latest in cybersecurity services. We look forward to continued growth of our capabilities in the areas of information assurance, vulnerability management, penetration testing, and RMF Certification and Accreditation."
