PRESS RELEASE

*****FOR IMMEDIATE RELEASE*****

ProSphere ranks 49th on Washington Business Journal's List of Largest Government Technology Contractors in Greater D.C.

ALEXANDRIA, Virginia (March 5, 2021): ProSphere is pleased to announce that it was recognized as the forty-ninth largest government technology contractor in the Greater D.C. area by the Washington Business Journal. Fifty-five companies were ranked based on the number of metro-area employees.

"We are honored to have been recognized among other top-ranked businesses in the D.C. community," said Robert Phoebus, Chief Growth Officer. "We look forward to continued growth in 2021 as we deliver IT solutions and services to meet the evolving needs of our federal government clients."

###

About ProSphere

ProSphere is a market-leading, mid-tier technology integrator that delivers digital modernization services and technical solutions. We are a Center for Verification and Evaluation (CVE)-certified Service-Disabled Veteran-Owned Small Business (SDVOSB). ProSphere was appraised at CMMI Level 3 for Services and Development and holds ISO 9001:2015, 20000-1:2011, and 27001:2013 certifications.

ProSphere is a prime contractor on a variety of contract vehicles, including Department of Veterans Affairs Transformation Twenty-One Total Technology-Next Generation, GSA Schedule IT-70, GSA Professional Services Schedule, NIH CIO-SP3, and Army RS3.
