### **ProSphere Awarded T4NG VBA Desktop Support Contract**

**Alexandria, VA, August 7, 2017:** ProSphere was re-awarded the Veterans Benefit Administration (VBA) Local Area Network (LAN) Desktop Support contract. On this effort, ProSphere currently provides on-site MS Exchange/Office Automation; desktop support for Window and Mac based PCs, laptop computers and associated peripherals for Veterans Benefits Administration (VBA) Headquarters and other VBA office locations.

“This re-award of work performed for the past three years reinforces ProSphere’s commitment to providing high quality and timely customer service. Our knowledge of VBA, end user clients, and specific processes enable us to provide the continuity of operations the Department of Veterans Affairs (VA) depends on daily to meet and exceed their mission objectives and Service Level Agreements,” said Kevin D. Rice, President.
