## **ProSphere wins VA PIV Program contract**

**ALEXANDRIA, Virginia:** ProSphere was awarded the VA Personal Identity Verification (PIV) Systems Operations, Maintenance, Sustainment, and Engineering Support Services (OMSESS) task order for \$17 million under Department of Veterans Affairs (VA) Transformation Twenty-One Total Technology Next Generation (T4NG) contract vehicle for the Office of Information and Technology IT Operations and Services (ITOPS). ProSphere will deliver sustainment and systems improvements, operations and maintenance, and service desk support.

“We are excited to continue providing quality support for VA,” said Robert Phoebus, Chief Growth Officer. “Our success is attributed to building deep relationships with VA personnel and continually implementing improvements to maintain service levels.”

A critical part of the mission of VA is to provide benefits and services to Veterans of the United States. In meeting these goals, VA has a PIV Operations and Maintenance Program that provides enhanced security through the issuance of credentials to hundreds of thousands of employees, contractors, and volunteers in more than 200 VA locations.

## **About ProSphere**

ProSphere is an ISO 9001:2015, 20000-1:2011 & 27001:2013, CMMI Level 3, CVE-Certified Service-Disabled Veteran-Owned Small Business. Founded in 2006, ProSphere is headquartered in Alexandria, Va., and provides solutions and services to 13 Federal Government agencies in 24 states. ProSphere supplements its capabilities with a strong and mutually beneficial partner program and is available through the following contract vehicles: Department of Veterans Affairs Transformation Twenty-One Total Technology-Next Generation, GSA Schedule IT-70, GSA Professional Services Schedule, Federal Aviation Administration eFAST, NIH CIO-SP3, and Army RS3. For more information about working with ProSphere, please contact us at [bd@prosphere.com](mailto:bd@prosphere.com), or visit our website at [www.prosphere.com](http://www.prosphere.com).
